GSLC Accreditation Announcement:

Stakeholder Notification/Public Notice

The land trust accreditation program recognizes land conservation organizations that meet national quality standards for protecting important natural places and working lands forever. The Golden State Land Conservancy (GSLC), headquartered in Sebastopol, is pleased to announce it is applying for accreditation this year. A public comment period is now open.

The Land Trust Accreditation Commission, an independent program of the Land Trust Alliance, conducts an extensive review of each applicant's policies and programs. Since 2000, GSLC has focused on generating real conservation outcomes for over 34,000 acres of land across California. GSLC wants to continue its success by becoming an LTA accredited Land Trust.

The Commission invites public input and accepts signed, written comments on pending applications. Comments must relate to how GSLC complies with national quality standards. These standards address the ethical and technical operation of a land trust. For the full list of standards see <http://www.landtrustaccreditation.org/help-and-resources/indicator-practices>.

To learn more about the accreditation program and to submit a comment, visit www.landtrustaccreditation.org, or email your comment to info@landtrustaccreditation.org. Comments may also be faxed or mailed to the Land Trust Accreditation Commission, Attn: Public Comments: (fax) 518-587-3183; (mail) 36 Phila Street, Suite 2, Saratoga Springs, NY 12866.

Comments on GSLC's application will be most useful if submitted by May 18, 2018.
